Safety Poster Contest- Elementary School Winners 2010

CNMEC's Champion
Elian Damian, 4th grade
Moriarty Elementary

Corona Elementary
1st place: Jim Racher, 4th grade
2nd place: Kyler Bell, 4th grade

Edgewood Elementary
1st place: Shayla Jansson, 3rd grade
2nd place: Andres Aragon, 3rd grade

Estancia Elementary
1st place: Saira Quintana, 4th grade
2nd place: Callie Larson, 4th grade

Moriarty Elementary
1st place: Carisa Sosa, 4th grade
2nd place: Tori Lewis, 4th grade

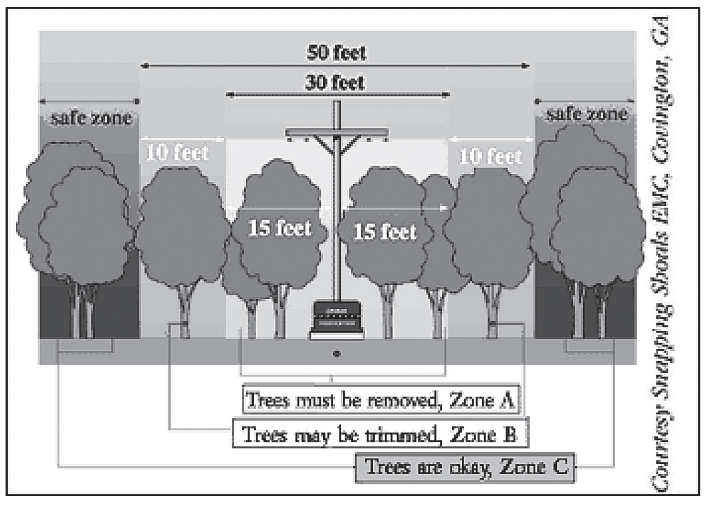

Mountainair Elementary
1st place: Destiny Flores, 4th grade
2nd place: Kindel Cline, 4th grade

Mountainview Elementary
1st place: Jenna Dennisson, 3rd grade
2nd place: Andrea Ortiz Haros, 4th grade

RT 66 Elementary
1st place: Alex Maez, 3rd grade
2nd place: Chloe Rector, 3rd grade

South Mountain Elementary
1st place: Alexis Romero, 4th grade
2nd place: Cecilia Hernandez, 3rd grade

Vaughn Elementary
1st place: Eva Villegas, 4th grade
2nd place: Matthew Nelson, 2nd grade

Remember to Plan Ahead Before You Plant!

Spring is in the air and everyone is starting to do yard work again. Please remember when you are planting trees, shrubs or any type of greenery, to allow plenty of space between your planting and our electrical equipment. This includes all electrical lines and electrical pad mount transformers that are on the ground. This will prevent CNMEC from having to remove or trim your beautiful landscaping. Allow enough room between the equipment and your plants so that a truck can get to the equipment; no less than 15 feet. We suggest putting grass, gravel or two inch rock around the electrical equipment and please do not use ivy or other climbing plants. Remember that trees can grow up to 40 feet tall and 30 feet in diameter. Take this into consideration before planting. Review the diagram before planting and good luck with your projects. Have a safe and wonderful summer.

2010 Youth Tour Recipients

These students will represent our cooperative and their schools on the NRECA Government-In-Action Youth Tour in Washington, D.C. in June. Every year, CNMEC sponsors five students for this trip. There, they will learn about our government and electric cooperatives, and meet New Mexico's Congressional Delegation. Congratulations to all.
