Candidates must live in the District for which they are running. Anyone wishing to file for candidacy must do so in the Mountainair Office on Thursday, March 18, 2010, before 4:00 p.m. Candidates must attend an informational orientation workshop to be qualified to have their name placed on the ballot. For more information contact Dolores Jones 505-847-1024.

Fire Extinguishers: A Little Preparation Can Go a Long Way

House fires can happen in seconds: in an instant, you could go from whipping up dinner to watching flames spring up from the stove top.

According to the National Fire Protection Association, 410,500 fires—or 78 percent of all reported structure fires—occur in homes. In the right hands, a household fire extinguisher can save lives and protect property should a small fire start.

"Every home should have at least one fire extinguisher, the right type, and you must know how and when to use it." Says John Drengenberg, consumer affairs manager at Underwriters Laboratories (UL), the Chicago, Ill.-based not-for-profit firm that tests and sets minimum standards for electric-consuming items.

Periodically inspect your extinguishers to determine if they need to be recharged or replaced. Extinguishers need to be recharged or replaced after each use—even if you haven't used the entire extinguishing agent.

KXNM FM 88.7 Seeks Donations

KXNM FM 88.7 Community Foundation has recently received a generous donation from a Torrance County family that realizes the value and potential that a community-based educational not for profit radio station has to offer area residents, businesses, schools, civic, and non-profit organizations, municipal and county governments. If as a community we can rise to the challenge and raise enough money for a transmission tower, it will be a crucial and pivotal piece of infrastructure.

We are working with the Torrance County Commission to make this dream a reality, but we cannot do it without your help. Please look within your heart and consider a gift that will honor our history, benefit our present, and enrich future generations of Torrance County families.

Sincerely,

The KXNM FM 88.7 MH
Community Foundation.
